## **MATERIAL FACT**

CPFL Energia S.A. ("CPFL Energia") and Companhia Paulista de Força e Luz ("CPFL Paulista"), in compliance with the provisions of article 157, paragraph 4, of Law No. 6,404/76, and the Resolution of the Brazilian Securities and Exchange Commission No. 44/21, hereby inform the market and its shareholders about the lawsuit proposed by CPFL Comercialização Brasil S.A. ("CPFL Brasil") against the National Electric Energy Agency ("ANEEL").

In 2004, CPFL Brasil filed a lawsuit against ANEEL to prevent the application of the criteria introduced by Technical Notes No. 23/2003-SEM/ANEEL and No. 81/2003-SFF/ANEEL, regarding the electricity purchase and sale agreement entered into between CPFL Brasil and CPFL Paulista. The court decision determined: *"(...) to prevent the effectiveness of Technical Notes No. 23/2003-SEM/ANEEL and 81/2003-SFF/ANEEL, in relation to the agreements entered into by the plaintiff, prior to the enactment of the aforementioned normative acts, maintaining the application of the governing standards in force at the time they were signed, notably ANEEL Resolution No. 248/2002 (...)"*.

The amount of credit in favor of CPFL Brasil, according to the criteria adopted by the Federal Attorney General's Office (AGU), is R\$ 4,678,104,219.24, updated until March 2025, and this amount must be paid by CPFL Paulista to CPFL Brasil.

The issue was the subject of a meeting of the ANEEL Board of Directors today and the incorporation of such amounts into CPFL Paulista's tariff is currently being deliberated by the Agency, with three votes in favor and one request for review.

The Companies will keep the market and their shareholders informed of any relevant updates regarding the matters discussed herein.
